THIS IS UNEVALUATED INFORMATION

- 25X1 1. Six airplanes, believed by the Cantonese to be the first planes to arrive in their city from the USSR, are in reality obsolete Japanese models [redacted]  
25X1 [redacted] reconditioned by the Communists, who have  
25X1 flown them only at night.
- 25X1 2. These six airplanes are old two-motored models, four 94's and two 98's, having a speed of 120 miles per hour and a maximum altitude of 8,000 feet. At the end of the war, they were received from the Japanese [redacted] who did not use them but had them stored in Number 4 Godown at the Whampoa Military Academy near Canton.
